PRAYER & PRAISE CORNER

- ~ **Hospitalized:** Harold Sawatzky, Waldo Schulz, and Helen Schulz at Altona Health Centre.
- ~ **Mennonite Church Canada**
Pray: Bethlehem Bible College asks us to pray for their new academic year as they prepare for classes and enroll students this summer. Located near the checkpoint and two refugee camps, they are often subjected to tear gas, shootings and turmoil in the street. They are also dealing with rising COVID-19 cases, a slow vaccine roll out and less than 15 per cent of the population vaccinated.

WORSHIP CALENDAR

We continue our worship series exploring the Ten Commandments and how these instructions continue to help us orient our lives to Christ's call.

Aug 29 - Don't testify falsely ~ Josh Janzen
Sept 5 ~ Mark Tiessen-Dyck

Reminder: Live-stream will continue and be available Sundays at 10:30am at <http://www.abchurchcommunity.ca>. If you are using a handheld device [phone or tablet] you may get a message that says "video unavailable", but if you click on the line "watch this video on YouTube", it will reload and play for you.

Jr & Sr Youth

- **Aug 25, 7pm** - End of Summer celebration.

FROM the PASTOR - Amanda Wiens

The farthest we traveled this summer was a full three and a half hours away to Clear Lake, MB. We rented a cabin in the woods that was advertised as having all the comfort and amenities of home. We had a great week at Clear Lake with lots of sun and sand, boat and bike rides, and ice cream so delicious we are already talking about going back next summer.

As great a vacation as it was, when it was all said and done, we were all happy to be back home. There is something about home that just feels right. It's the familiar sights and sounds that bring a sense of comfort, it's the memories that connect you and the goals that give you purpose, and of course it's the people you share it with. I'm sure I'm not the only one who would say that for many of the reasons I just mentioned, this church feels like home. This is a place I have missed coming to these last few months, there are faces I have missed seeing, songs and voices I can't wait to hear once again and I eagerly anticipate filling the dark, damp Education Wing with sounds of laughter and smells of cookies and construction paper.

Today we take a step forward as we gather for in-person worship. Some of you have eagerly been waiting for this morning, others may have some trepidation, or you're feeling somewhere in the middle. Wherever you are, I want to take this opportunity to say "welcome home ABC family, welcome home!"
