Praise God for the land by the River Chi made available to the Maliwan church families including Witness workers, Tom and Christine Poovong. This will be the site of Peace House, which will be a community centre in this shanty town neighbourhood on the outskirts of Khon Kaen, Thailand. Pray that God will bless the Maliwan congregation as they become a presence of God's peace in this community.

Access to the livestreaming testing on Sunday mornings will be available from the A.B.C. website [[abchurchcommunity.ca](http://abchurchcommunity.ca)]. ## **From the Pastor** – Josh Janzen

I want to take some time to reflect with you on God's goodness and God's power. As I write this, Steph and I are still under quarantine in our home, but undoubtedly grateful that we are here to quarantine in the first place. I have frequently thought about our border crossing and just how smoothly it all went. It feels impossible to think that it was anything but a testimony of God's goodness and power at work in this world. God showed up in a miraculous and powerful way. I will testify to the power of God and to the power of prayer from hundreds of people on both sides of that border. At our final stop before the border, Steph and I decided that no matter what happened in the coming moments, we would make the choice to praise God. "If we get across, we praise God. If we get turned around, we praise God". We made it across, and we are constantly praising God here in our house. But what if we were turned around and had to stay in Nebraska indefinitely? Would we still actually be praising God?

This world is beautiful and it is broken. The reality is that hard stuff will happen. But it is exactly for that reason that we celebrate. Whether or not it happens in every instance, God is moving and working in this world. God is actively making all things new. God is bringing Heaven and Earth together again. Even as you read this right now, the Kingdom of God is at hand, the New Creation is coming.

While we still may not be able to sing in-person all together, I can't help but end with lines from a favorite hymn, "How can I Keep from Singing".

No storm can shake my inmost calm,  
While to that rock I'm clinging.  
Since love is lord of heaven and earth  
How can I keep from singing?
