*‘But what about you?’ He asked. ‘Who do you say I am?’ Simon Peter answered, ‘You are the Messiah, the Son of the living God.’ Jesus replied, ‘Blessed are you, Simon son of Jonah, for this was not revealed to you by flesh and blood, but by my Father in heaven. And I tell you that you are Peter, and on this rock I will build my church, and the gates of Hades will not overcome it.’*

**Last Sunday, my resignation** as associate pastor of youth ministry was announced. That has been hard news to share, because Steph and I truly love this church and this community. Missing our family is something that we have struggled with, and after much prayer and discernment earlier this year, we decided that we needed to explore moving closer to home. In that process, a ministry opportunity came up at a Mennonite church in Steph's hometown of Beatrice, Nebraska. We felt God's calling and I accepted the invitation to candidate for the position. My time here at ABC will come to an end near the end of August. I am so grateful for the support and affirmation you as the church have given me as a pastor. Steph and I both have felt your love and care for us over these difficult years of the pandemic and we will carry that love and care with us for the rest of our lives.

-Josh Janzen

### **FROM THE PASTOR:** Mark Tiessen-Dyck

Early in the pandemic (when it still seemed like this would all be a several month affair) I was reflecting on how the pandemic would change us as a church. At the time I predicted that we would be more casual, creative, and less bound to the ways that we have always done things. This Sunday illustrates that my hunch has come to pass in some respects. It is hard to imagine that prior to the pandemic we would switch our Sunday morning worship service into an event like today's. After the pandemic, this event seems like just what we need and I'm excited for it!

Sharing a meal, worship, and discernment as a community brings us closer to how the early church gathered and shared life together. In truth, the scripture offers the church less details and concrete prescriptions and more metaphors and images. We are salt, light, body of Christ, household of God, temple of the Holy Spirit, and way, to name a few. As we break bread (or pancakes), praise God, and discern together, the Holy Spirit will be at work among us as we grow in the likeness of Christ.

## **Unique Opportunities to Serve at Camp!** **Camps with Meaning**

### **Camp Health Officer**

Summer camps are always in need of "health officers" in order to ensure that we are providing the safest program possible...as well as to meet insurance and Manitoba Camping Association standards. Camps with Meaning welcomes and invites any Physician, RN, LPN or Paramedic who is licensed to work in Manitoba to come and serve at camp for a week or more. This position is important as we cannot run camp without a Health Officer present. \*NOTE: Health Officers are required to have a certain amount of practice hours...a week at camp can provide you with 37.5 of these hours. Simply indicate that you need these hours to be verified by us!

### **Kitchen Helpers/Workers**

"Camp food" is redefined at Camps with Meaning. It's camper friendly and quite good! Each camp has a qualified Food Services Coordinator who plans the menu and organizes the work. We welcome and invite kitchen helpers and the occasional Head Cook to come, prepare and serve the camp...and the food!

### **Camp Pastor**

We give our youth and young adults a huge task when we commission them to carry out the camp program...but we never leave them alone. We welcome individuals to walk alongside them and support them! You are invited to come for one week or two (or more!) to guide the staff with daily devotions, prayer support, and to be involved in the program and get to know the staff! Camp pastors can be ordained individuals or others with gifts to serve in this capacity!

### **Maintenance Workers**

We cannot run camp without adequate facilities! Our camp sites have beautiful grounds, buildings and a variety of equipment. These physical parts of camp need care, pruning, painting, cleaning, replacing...and we build new things from time to time. People with gifts in these areas are welcomed and invited to come take care of camp! Supervision and tools are provided.

### **CHALLENGE TO THE CHURCHES:**

Can we get YOUR church to sponsor a week at camp...and provide the support staff (or a combination of the support staff) for a week of camp?! These support staff include a camp pastor, kitchen and maintenance help, and a health officer. Can your small group do it? Or can you provide the leadership to guide other members of the congregation? That particular week will be dedicated to your church! It would be neat to see how

something like this could inspire congregations to serve at camp in this way! The support staff that come to serve at camp make camp possible!!
