The Mennonite Church Canada Palestine-Israel Network requests prayers that the elections scheduled for March 23 be fair and free for all citizens of the state of Israel (i.e., not including the occupied Palestinian territories), both for Jewish Israelis and for the Palestinian minority. We ask that God will guide the elections so that justice, equality and peace may come to the land.

As we begin to feel the lessening of Covid restrictions we want to continue to think of and pray for those in care homes and assisted living settings.

FROM the PASTOR: Amanda Wiens

About 7 weeks ago Julia fell and broke her dominant arm, suddenly the most basic of tasks became much more challenging. Two days after her fall, I overheard the conversation she was having with herself as she was getting ready for her first day back at school, “you can do this,” “you are strong,” “keep trying, you can do hard things,” “you . are . amazing!” These words from my 10-year-old took root in my heart and have been in my thoughts for much of the last 7 weeks. As I stood in the hallway listening to her give herself a pep talk, I was so thankful that she had such kind things to say about herself. I prayed that as she grows up, she will not become jaded by society’s bombarding messages of being less than, but rather, continue to remember how special God made her and how much she is loved. The scriptures we read during Lent are always a great reminder to me of the immense value and endless love God has for me. So, the next time you try something hard and you tell yourself you just can’t do it, or someone makes you feel less than, who are you going to believe? God did the most difficult thing I can imagine, He sent his son to die on the cross, that’s how much He loves you. YOU ARE AMAZING.
