## PRAYER & PRAISE CORNER

~ **International witness:** Pray for security, peace and wisdom for congregations of the Evangelical Mennonite Church of Burkina Faso. They had planned to gather for annual January meetings in KénéDougou province, but terrorist attacks have increased in recent weeks. Authorities have asked churches to decrease public gatherings.

Witness workers Werner and Joanne De Jong ask you to pray for the safety of students traveling to and from the Meserete Kristos Seminary in Ethiopia over their Christmas break (around Jan.7). Pray for Werner as he mentors four graduate students working on final research papers.

## **FROM THE PASTOR – Terrell Wiebe**

To minister is to attend to the needs of another.

So, are you a minister?

When we come together as a church family, one of the things we are called to do is minister to one another. As Christ ministers to us, so too are we, filled by the power of the Holy Spirit, to minister to each other. This includes our youth. You are called to attend to the needs of the youth in this church, just as they are called to attend to your needs.

As the youth pastor, it is my desire to help this congregation become a body of believers that attends to the needs of its youth. In other words, I want to help us all become youth ministers.

How might you attend to the needs of our youth?

Did you know that roughly 50% of students walk away from church after they graduate high school? The Fuller Youth Institute has produced a study called "Sticky Faith" that details four important factors that are present in the lives of young adults whose faith has "stuck" with them through their transition from high school into adulthood.

Those four factors are:

- Intergenerational relationships within the congregation
- An understanding of the gospel that integrates faith into all aspects of life
- Parents that nurture faith in their families
- Having a safe place to share doubts and questions about faith and life

Perhaps one of the above might spark in you an idea about how you can attend to the needs of our youth. In my upcoming "From the pastor" segments, I will focus more intentionally on these factors. And, if there is a way that you believe you can minister to the youth of this congregation, then I would love if you would share it with me!

## **CHURCH ANNOUNCEMENTS:**

**Mennonite Church Manitoba's** annual gathering will be held on March 3-4, 2023, Friday evening and Saturday, at Douglas Mennonite Church in Winnipeg. Our Gathering 2023 theme is "Re-Imagining Church Together." In light of changes in church and society during the past few years, we as congregations and as a regional church are asking questions like, "Who are we?" and "What is God calling us to be and to do now, in this time and place?" At Gathering 2023 we will explore these questions together, drawing on the hopeful promise of Ephesians 3:20-21. You can find more information about Gathering 2023 at [www.mennochurch.mb.ca/gatherin](http://www.mennochurch.mb.ca/gatherin). **If you are interested in representing ABC at this event, please be in touch with the church office.**
